Good morning, everyone.

I'm an addict named _____, and this is _____, who are passing out some flyers that would explain what we are trying to do. We are here to see if you would like to join together in creating policy and, of course, a convention to be hosted by all the Areas on the West Coast of South Florida. A motion was made at the Gulf Coast Area meeting that was overwhelmingly supported, (18-0). Similarly, we are attending the other Areas on the West Coast of South Florida. Currently, we, the Ad Hoc committee, are meeting on Sundays via Zoom. We have only worked on this letter and a flyer until we hear back from all Areas concerned. Hopefully, there can be a motion or whatever procedure you use in your area to move forward with this process. No actual work has been performed on Policy, nor have any positions been discussed, nominated, or elected. Meeting times, which are currently Sundays at 7:00 pm as well as contact information, shall be included in the package we are handing out. This in no way has any financial impact on any Areas.

Sincerely, The Ad Hoc Committee
