When the caller asks to speak to a volunteer the call is directed anonymously to your personal phone.

**1-year clean time requirement to be a helpline volunteer.**

**All Helpline volunteers must complete a yearly Orientation.**

The heart of NA's spirit is the principle of service, an element that transcends mere participation and delves into the selfless giving and community building. Service work is a transformative process where members contribute their time, skills, and experiences to support and enrich the Fellowship. Giving back through service is an expression of the program's twelfth step – carrying the message to addicts who are still suffering. This act of service is crucial as it reinforces the principle of interconnectedness and mutual support that is central to the recovery journey. NA service work is diverse, offering numerous opportunities for members to engage according to their interests, capabilities, and recovery. From being a newcomer greeter, serving as a group service representative (GSR), and /or participating in organizing events to volunteering for helpline support, the avenues for committee service are vast and varied. Each role, plays an important and much need part in the seamless functioning of the fellowship.

## Needs Volunteers

Remember how you felt?

Many of use did not just walk into our first NA meeting. We arrived via Jail or a Treatment Center when we were at our lowest point. Many of us were scared not knowing what our future held for us. Then NA showed up we heard members share their stories as if they were our own. We heard the message of hope and freedom from active addiction.

**You too can be that member that carries our message of Hope and Freedom to others who are so desperate to hear our message.**

**Please ask your GSR how you can be of service. H & I Subcommittee meets on the 4th Sunday of the Month 4:30pm at Wintergarden Church 18305 Wintergarden Ave, Port Charlotte**

My name is JJ and I'm a recovering addict. I'm writing this letter to Reaching Out with hopes that I may be able to reach another addict who still suffers from addiction. To let them know NA works. It was so helpful to have meeting schedules when released being able to go to a meeting that first day. I called the Helpline as the list was from the previous month wanted to make sure the meeting was still there. Getting phone numbers meeting other recovering addicts at my first meeting was a blessing. Thank you to NA and those who attend the meetings inside and gave me hope. You are a big reason I'm here today. Since my release to the outside and I'm attending meetings regularly. Myself and others so desperately needed the NA members to bring meetings into facilities.
